### **Mrs. Jill Curley**

Mrs. Curley has been teaching at St. Joseph School for the last twelve years, first as an ELA teacher in our middle school division, and most recently as a first grade teacher in our lower school. She also works Aftercare in our ECB, spending her afternoons on the playground, doing crafts, reading books, and playing games with our youngest Hammerheads! The school holds a very special place in her heart, as she was also a student here from kindergarten through eighth grade. Last year, Mrs. Curley helped to kick off our first year of St. Joe's Summer Camp, and she is excited to return again this summer!
