2022-2023 Get Involved

Dear Saint Joseph School New Families,

As we prepare for the 2022-2023 school year, we are looking for parents who want to get more involved. And while we don't want to overwhelm you before we officially meet, we want to make sure you have ample opportunity to be as active a member of our community as you want to be.

There are a number of ways, with varying levels of commitment, that you can be involved at St. Joe's. And while we strive to have all opportunities and roles laid out before the school year begins, some more things will pop-up. We want to direct your attention to the community page on the school website. It is our hope that this page will be your central resource for all PSA events throughout the year.

It is easier than ever to get involved, and we would love your help!

One of the best parts of our school community is being part of the "Parent School Association" (PSA). You'll meet fellow parents, plan fun school-wide events, and get a chance to be involved in your student(s) school life!

PSA Event Chair and Committee Volunteers

If you ask our students they will rave about our community events - from the Street Hockey Tournament and Trunk-or-Treat to Field Day and the famous End-of-Year party. There are so many opportunities to help create special memories for our students and their families. These events are led by our Parent School Association, and we welcome volunteers to chair events or to be part of the planning committees.

Room Parent Role

Room parents communicate with other class parents regarding non-academic activities in the classroom. You will coordinate classroom parties (Halloween & Valentines Day), forward on messages to your class parents regarding events or programs (i.e. classroom Wish Tree) when requested by the teacher and/or administration, and help with teacher appreciation recognition.

Lunch and Recess Volunteer

Volunteering at lunch and recess is a great way to give the teachers a break in their busy days and to catch a glimpse of your child in action! You will commit to a grade, a location (lunch or recess), and a day of the week, and then will be assigned a monthly recurring commitment. If you cannot commit to a recurring spot, you can be added to the email distribution list for cancellation coverage. The link to sign up for lunch and recess volunteers will go out in September; Stay tuned!

To sign up for any of these volunteer opportunities, and to learn more, please visit the [Community Page](#) of the Saint Joseph School website. We hope you'll consider getting involved!

Thank You,
