Description: Come join your fellow thespians in Mrs. Curley's drama club as we explore the many aspects of theatre! During our time together, we will engage in drama games and activities along with performing mini skits!

Drama classes for kids are a great way to learn about cooperation. Through drama, kids learn how to work together as a team, share ideas, and support each other. They also learn how to take turns and listen to others. All of these skills are important in both school and beyond!
