

# Saint Joe's SCOOP

December 1, 2020 Edition

---

Dear Saint Joseph School Families,

I hope all of you had a wonderful Thanksgiving.

Thank you for your support of our teachers this week during remote learning. I am grateful for the sacrifices they are making to teach students during this uncertain academic year. I continue to be impressed by their ability to pivot quickly and deliver the Saint Joe's curriculum no matter where they are - at home or in the classroom.

A few reminders:

- Lessons and videos from Specialists can be found on our Facts Family Portal (formally RenWeb). Please use the link below or click on the "people icon" under the header on our website.
- Report cards will be available on our Facts Family Portal tomorrow (Wednesday) at 8:00 a.m.
- Please have your children join me for morning announcements on Thursday at 8:00 a.m. My Zoom link is available on the Remote Learning Zoom Links button below.

Thank you,

Lauren Solomon  
Principal

## #GivingTuesday

#GIVINGTUESDAY

***Please join us TODAY for #GivingTuesday to support our school.***

This year, the COVID-19 pandemic has put an additional financial stress on Saint Joseph School. As part of our commitment to in-person learning, we have invested in necessary PPE, technology, additional staffing, and Health Office support. As we enter the winter months, the health and safety of our faculty and students remain my top priority. In our efforts to continue in person classes as long as it is safe to do so, **we are committed to purchasing air purifier systems for every classroom.** This is an additional investment we are making and we are asking for your support for this immediate need.

Thank you for your generosity and support!

# Daughters of St. Paul "Home for Christmas" Concert

Virtual "Home for Christmas" Concert  
Thursday, December 3, 2020 at 8 p.m. EST

Every December, the Daughters of St. Paul Choir goes on tour to bring the Christmas message to thousands of people around the country. This year, most people will be home for Christmas so we decided to try something new! In less than two weeks, our sisters will sing a virtual concert that will be streamed on our YouTube page:

So many people right now feel the need for some light, hope and encouragement during these difficult times. This concert is a great way to have some fun with the Nuns and bring the presence of Jesus right into our hearts and homes.
